NAZI TROOPS SMASH TOWARD PARIS

Recommission All World War Destroyers

President Discusses Defense Plans At Press Conference

Washington, May 17.—President Roosevelt today disclosed that he was considering recommissioning all remaining world war destroyers in service.

At a press conference he said that study was being given to the question of government production of destroyers, perhaps by private plants, privately-operated by government-owned.

A short time before the president's press conference was asked by the press to disclose the number of destroyers in the navy's fleet. He said that the navy had 100 destroyers in service.

No Partisanship
Support for the program he outlined continued to be evidenced in various quarters today. In New York, Senator Charles McNary, Republican, said that he was in favor of the program. He said that he was in favor of the program.

That applies primarily to new destroyers of existing plants, he said, rather than to picking up and moving them from the seaboard.

Reporters remarked that most airplane manufacturing establishments were situated along the east and west coasts.

The president discussed at length the fact that he expected to do with the \$100,000,000 which he asked congress to pay at his disposal for defense operations, and the additional \$100,000,000 in contract authorizations.

Possible Future Events

That might come up during the future when he would not want to call congress back, he explained, which could be taken care of if he were given the funds.

It was in that connection that he spoke of recommissioning the old world war destroyers. That is under consideration now, he said, but he said that he was not sure.

The cause, they claim, is the fact that the old destroyers serve for both main water and sewage and that the pipes are not large enough to carry the load when there is heavy rainfall.

Nine Camps For The Training Of 10,000 Air Pilots Planned

Chicago, May 17.—(UP)—Col. Frank Knox, publisher, announced today under direct authorization from President Roosevelt, plans for organizing of nine camps for training an estimated 10,000 additional civilians as airplane pilots.

Knox returned today from a conference with the president. He said the camps would be opened in the time of the army corps areas about July 1.

He said the camps, similar to the Plattsburg officers training camps organized after the start of the world war, would be promoted entirely by civilians and operated as an extension of the Civil Aeronautics authority with direct supervision by the army.

The project, for which civilian boards are being set up immediately to promote enlistment, will be financed through the expected emergency defense appropriation probably through the CAA budget, he said.

The army, he said, had agreed to preliminary arrangements to supply reserve officers, tentage, cooks and camp sites for the program.

Irwin Witt To Head Red Cross War Drive

Irwin F. Witt of 1025 South Evergreen avenue, who headed the Red Cross roll call in this county last year, was appointed chairman of the new campaign to raise \$2,400,000 as this county's quota for immediate relief of civilian suffering in war-torn Europe at a meeting of the board of directors last night in McBroome's cafe.

The drive is part of a nationwide appeal for \$10,000,000 which national Red Cross authorities hope can be raised in two weeks to succor thousands of refugees in Holland, Belgium and other places.

A meeting of roll call workers has been called for Monday noon in the Masonic temple. At this luncheon the campaign organization will be mobilized for the war relief fund. All who assisted in the last roll call are asked to attend.

The Red Cross societies of all countries thus far involved in armed conflicts except those of Germany, Italy and Japan have indicated they will welcome assistance from the American and other Red Cross societies. The Red Cross organizations in these three countries have informed that they can take care of their own needs. Civilian suffering in their lands as a result of the war is almost nil.

The plaintiff company asks damages of \$2,500 from Carl L. Bess of Chicago, doing business as the Serber company, and Carl L. Bess Jr. The amount is asked in payment for damages done to a Hall truck in the accident.

The plaintiff company asks damages of \$2,500 from Carl L. Bess of Chicago, doing business as the Serber company, and Carl L. Bess Jr. The amount is asked in payment for damages done to a Hall truck in the accident.

Manteno's Mayor Names Officials

Maynard Weber, president of the Manteno village board, has reappointed village officials as follows: Jess Bedore village marshal and superintendent of the water works; Francis Smith, village treasurer; Milton Platt, fire chief with A. J. Senesac as assistant.

The profit from the recent fire-fight ball \$206 was turned over to the village board to be kept in a special fund. It will be used to buy fire truck equipment.

Dictators Theme Of Pastor's Sermon

"Hitler, Mussolini and the Final World Dictator" will be the subject of the Sunday evening sermon of the Rev. John F. Norman, pastor of the Central Christian church.

The halfway mark has been reached in Rev. Norman's special series of 10 Sunday evening sermons on bible prophecy.

BIKE TAKEN
The bicycle of Oliver Radke of 297 North Myrtle avenue was reported stolen from his home Thursday night.

Cab Driver Takes Drunk To Right Place

A cab driver, who started with his wife on a bus for the Chicago race tracks yesterday but became intoxicated en route, was taken to the right place by a police officer.

DeCleo summoned a cab driver, Elmer Elliott of Gilman and hired him to drive to Kankakee. When he arrived, DeCleo disclosed he had no money so Elliott drove straight to the police station where his "fare" was locked up. Elliott's wife arrived last night and took a room at a local hotel. At noon today she decided to bail him out.

Lizzie M. Odette's Will In Probate

The will of Mrs. Lizzie M. Odette, late of Kankakee, widow of Eli Odette, captain of the city fire department, was filed today in the office of County Clerk Hector J. LeBeau.

Drawn in January of 1935, the will gives household goods to a daughter Mrs. Eva Billberg and divides the remainder of the estate as follows:

They Rush the Straw Hat Season by 1 Day

"Doctor, lawyer, merchant, chief"—everybody's doing it! What? Why wearing straw hats tomorrow, the official opening of the lightweight headgear season. The foursome pictured above is typical of the male contingent who will appear in straw skimmers Saturday on the promise of the weather man's cooperation.

Left to right are Dr. Roy O. Hawthorne, Attorney Claude M. Granger, Ralph Farmer, merchant, and the chief executive of Kankakee, Mayor Albert F. Hattemburg. The summer straw debut is sponsored by the retail clothing council of the chamber of commerce.

Open House For Dietary Project At Manteno State

Open house at the dietary project at Manteno state hospital will be observed Tuesday through Saturday of next week. The employees of this unit of the professional and service division of WPA and hospital authorities have arranged conducted tours for visitors who are to report at the WPA office located at Pinel cottage in the institution.

The project, sponsored by Dr. Walter H. Baer, acting managing officer at Manteno state, had its inception Jan. 5, 1938 and has been in continuous operation to date. It supplements the present dietary department at the institution by concentrating its work in the acute hospital ward where about 600 special diet meals are prepared daily.

Workers are mainly heads of families in Kankakee county. During the recent typhoid epidemic at the institution these workers assisted regular state employees in facilitating and handling various urgent needs. Proponents of the project say this training serves to fit workers for useful jobs in private industry.

Manteno Sportsmen Have Private Lake

By MARIE KEROUAC
Our Lady Academy Reporter
Manteno sportsmen have formed an organization known as Club 37. Under the presidency of Ray Viall, assisted by John Boudreau, Sam Scheffler and Dan Scheffler, the 65 members have undertaken active enterprises.

A clubhouse, 40 by 22 feet, has been completed on the bank of a pond a half mile long and 750 feet wide. Here the members and their friends enjoy fishing, boating, swimming and skating. Summer or winter, the clubhouse is an enjoyable spot.

Margaret Powell, Cora Friday, Fred Boyd, Archille Marcotte, Amedee Betourne, Ruth Laughlin, James Hammes, E. D. Worrell, Louisa M. Mitchell, Nicholas Ulving, Earl Barnett and Marie Pontius, all of Kankakee.

On Monday, Circuit Judge Luther B. Bratton will go to Joliet to preside in the Will county court while Judge Bartley is here.

THE WEATHER

(Friday May 17, 1940)

Midnight 47, Noon 58.
Sunset today at 7:05, sunrise Saturday at 4:27, sunset at 7:06, moon sets at 2:35 a. m. Saturday.

Mostly cloudy, occasional showers and thunderstorms south and west tonight and Saturday, and northeast portion Saturday; slightly warmer tonight.

Belgian Liner Beached After Bombing Attack

Vessel Was Formerly The United States Liner, President Harding

London, May 17.—(AP)—The Belgian liner Ville de Bruges, formerly the United States liner President Harding, has been beached following a German bombing attack Tuesday, members of the crew disclosed on their arrival today in London.

They said the 13,869-ton liner was heading out from Antwerp with 64 passengers, mostly women, when an aerial torpedo burst and killed four members of the crew.

Every passenger was landed safely, according to James Gibson, 35-year-old Montreal boatswain. He said they made shore about 200 yards away in seven boats.

Four Crewmen Killed
The four crewmen killed were two Canadians and two Belgians. The crew of 115 included 62 Canadians.

The vessel was one of eight sold to the Societe Maritime Anversoise, a Belgian company, by the United States lines soon after American neutrality regulations barred American ships from most European waters.

While still under the American flag as the President Harding she sailed November 15 from England with American refugees from the British Isles.

"We were near Ostend," Gibson said, "when a single plane came over about 6:15 a. m. and machine-gunned us."

"We had no guns to defend ourselves," he said.

"At 7:10 a. m. three bombers came over and dropped one aerial torpedo which struck. Most of the passengers were in their quarters at the time."

"We mustered the passengers on the promenade deck. There was a little panic amid the shouting of orders but it soon quieted down."

"We were flying the Belgian flag when the first plane came over but we hauled it down immediately. No flag was up when the bomb was dropped."

Queen's Lucky Escape
London, May 17.—(AP)—The destroyer in which Queen Wilhelmina of the Netherlands fled to England Monday was disclosed today to have had a narrow escape when a German plane dropped a magnetic mine only 40 yards ahead of the vessel.

An authorized source said the mine exploded with terrific force but the destroyer swerved and was unscathed.

Reviewing the British navy's role in the campaign touched off a week ago today by Germany's invasion of Belgium and Holland, this source also said that warships brought fortunes in gold, diamonds and securities, as well as Crown Princess Juliana and the other members of the Netherlands royal family, and other refugees from Holland.

The British naval officer who told the story of Queen Wilhelmina said:

"I have never seen a woman so completely calm in all my life."

Students Mimic Rotarian Guests

Students of the Departmental school and their teachers entertained the Rotary club Thursday afternoon in the school auditorium.

The a cappella choir and the jubilee chorus (colored) sang numbers under the direction of Miss Mary Longpre. Nadine Murphy played a saxophone solo, the entire assembly sang selections and a group of boys presented a skit, impersonating the procedure of Rotarians at their meetings.

Edward Evans, wearing horn-rimmed spectacles, mimicked President Irving Munson while Richard Houdlett brought out a Charlie McCarthy doll and put a ventriloquist act. Jim Brown impersonated George "our best student" Pierol.

The home economics girls served lunch under direction of Miss Mary Allen.

At the business session of the club Frank Schneider, Will C. Schneider and W. F. Lockwood were named as a committee to arrange for a ladies' night program the latter part of June. Guests included Art Senior of Homewood, three school board members, Alfred Beaumont, Edward Honnicks and A. D. Forster, Princeton and E. Y. Allison and Leo Chang, and Lucille Lambert, manual training instructor.

Jury Decides Mrs. Powers Not Liable

Mrs. Estelle K. Powers, wife of Arthur N. Powers, 895 Cobb boulevard, today was declared the winner in a suit brought against her by Paul Flickinger, painter and repairman of 1075 East Merchant street.

A county court jury took the case at 6:10 o'clock last night and returned a verdict to Judge C. D. Henry at 9 o'clock this morning.

One of the principal questions before the jury of three women and nine men was the determination of who, in the spring of 1936, ordered redecoration of an apartment at 1108 East Court street formerly occupied by the Powers' daughter and son-in-law, Mr. and Mrs. Bruce McBroome.

Flickinger, represented by Attorney Francis J. Householder, said that Mrs. Powers ordered most of the work done and that the remainder was ordered by Mrs. Florence Davis, one of the owners of the property. Mrs. Davis' share has been paid, he said, but he contended \$225.27 is still due him from Mrs. Powers' share.

Mrs. Powers, represented by Attorney John A. Mayhew, denied she had anything to do with the work. In support of her contention, testimony was given yesterday by her daughter and son-in-law who said they, and not Mrs. Powers, ordered some of the work done while the remainder was ordered by Mrs. Davis.

They produced receipts to show that Bruce McBroome made payments to Flickinger (a total of \$183.58) from time to time as the work progressed and finally received a "payment in full to date" receipt as to the McBroomes' share of the cost.

BULLETINS

Berlin, May 17.—(AP)—The German high command announced that German troops marched into Brussels tonight.

Berlin, May 17.—(UP)—The official DNB news agency claimed late today that the last allied line of resistance before the Belgian capital of Brussels "has been crushed."

The agency asserted that one position after another had been broken through and that the allied defense lines were being rolled up under sledge-hammer blows of the German armored columns.

Berlin, May 17.—(UP)—The newspaper Koelner Zeitung said today that allied planes had bombed the vicinity of Cologne Wednesday night.

London, May 17.—(UP)—The Netherlands legation said today that according to authoritative Dutch sources, Prince Bernhard, consort of Crown Princess Juliana, had returned to Holland to fight with the Dutch troops in the defense of Zeeland province.

Baccalaureate At Chebanse Sunday

Baccalaureate exercises for Chebanse high school will be held in the school auditorium Sunday night at 7:30 o'clock.

The invocation and benediction will be by the Rev. J. W. Powell, pastor of the First Methodist church. The Rev. James C. Smith of the United church will deliver the sermon.

Ruin And Suffering Far Behind The Lines As Result Of Bombs

By DREW MIDDLETON
With the British Expeditionary Force in Belgium, May 17.—(AP)—The German "luftwaffe," the terror that flies by night and by day, has carried the ruin and suffering of total war far behind the allied positions in three days of bombings, which have struck Belgian and French towns, cost hundreds of lives, and done incalculable damage to roads and buildings.

There has been no relief for British pursuit squadrons fighting Nazi planes attacking British troops and positions on land.

Only this morning came word that German Heinkel planes dived-bombed a railway station where a trainload of Belgian refugees had just arrived.

Twelve refugees were killed and scores were wounded.

Technically, the bombing is confined to "military objectives"—a phrase which covers every town with a railway station or bridge.

French Capital Is Placed Under Military Control

German Armored Units Reported 76 Miles Northeast, Near Rethel

BULLETIN
Berlin, May 17.—(AP)—German troops tonight were reported "deep in northern France"—one source said without confirmation they were within 76 miles of Paris—in a continued drive from a broad opening forced between Maubeuge and Montmedy.

"Events in the next few days will show what it meant to force this opening," an authorized source said as it was hinted the German campaign now is aimed at France in general and Paris in particular.

"France is England's next victim," it was said, according to the Nazi thesis that the various countries which have fallen before Adolf Hitler's legions were attacked because they fell in with alleged British machinations against Germany.

BULLETIN
London, May 17.—(AP)—Allied troops were reported tonight to have fallen back along the 115-mile front from Antwerp to Sedan and the British public was warned that the military situation is "extremely grave."

A military spokesman said allied troops still are covering Brussels, 16 miles east of which the British were said in advance from the front to have stemmed German attacks.

Despite the withdrawals in Belgium, the spokesman said the situation "is slightly better" for the allies than yesterday.

The press association, British news agency, said authoritative quarters in London "do not attempt to disclose their opinion that the situation is of extreme gravity," and cautioned against "false optimism."

By the Associated Press
Germany's lightning mechanized troops smashed to a point about 76 miles from Paris today, the French high command admitted.

Paris itself was placed under rigid military control.

Authorized German sources reported Nazi sledge-hammer blows had pierced France's Maginot line "in a manner even German optimists believed impossible."

(The Germans meant the "little Maginot" line on the Franco-Belgian frontier, rather than the great main fortress system directly facing Germany's Siegfried line.)

Allied forces were described by the Germans as "in retreat everywhere" on the 115-mile Meuse river front.

(Continued on page eight)

Award Contract For Water St. Pavement

The Triangle Construction company of Kankakee was awarded the contract today to lay asphalt pavement on East Water street on a bid of \$5,382.16. The project, financed out of the city's share of state motor fuel tax receipts, includes black top from East avenue around the curve to Hawkins street.

Other bids submitted: A. C. Johnson and Son of Joliet, \$5,895.51; Berenz and Son, Bloomington, \$5,632.84.

Engineer Charles Gregg announced today that workmen on the city-wide WPA sidewalk and curb project had started on South Seventh avenue. Sixth avenue has just been completed.

King and Queen of Junior Class Prom

Miss Patty Pottenger and Raymond Anderson were elected queen and king, respectively, of the junior prom of the Kankakee high school last evening in the school gymnasium. They are shown with their attendants, standing from left to right, Harry Schrey, Betty Traylor, Miss Pottenger, Mr. Anderson, Jean Offerman and Roland Lang. Seated are Heath Rucker and Carter Minor. The new rulers received their crowns from the queen and king of the 1939 prom—Betty Hill and Willard Dray. The jungle theme was used in decorating the gym, the girls serving punch being garbed in grass skirts and jungle hats surrounding the tables. Ar-

and Martha Jane Starnes, arrangements for the class sponsors—Miss Shirley Jeffers and Miss class president, H. and Wayne Pearson.

NATIONAL COTTON WEEK MAY 1940

Brief Local News

STYCK FUNERAL
Rites for George Styck of Aroma township were held here yesterday afternoon at the Aroma Park Methodist church with the Rev. Harry Grede and J. C. Brown officiating. Burial was in Aroma cemetery. Pallbearers were Walter Daily, George Hester, Art Hester, Walter Dixon, Frank Reno and Robert Pokonis.

TWO ACCIDENTS
The auto of James Williams of 749 North Evergreen avenue was involved in a crash with a truck of Gray's Food Mart, 788 East Court street today at the intersection of Greenwood and Fair streets. Yesterday William Smith of 781 North Indian avenue collided with another vehicle at Dearborn Court. He was not hurt.

MORE TRAFFIC VIOLATIONS
Three traffic law violators were cited in police court yesterday and today. Lester Boken of Grant Park paid \$2.75 for speeding this morning in East Court street. Dr. R. E. Cunningham of Urbana was assessed \$12.50 for running a red light at the intersection of East Court and Washington and Glen Schmitt of 429 South Elm avenue paid \$5 for overtime parking.

TO ATTEND CONVENTION
W. L. Cooper, vice president of the Florence Store company is a delegate to the Association of Gas Appliances and Equipment manufacturers convention at the Hotel Lincoln, Springfield, Ind., on Monday, Tuesday and Wednesday of next week.

INFANT'S NEXT DIES
A 10-12 pound son born Thursday morning to Mr. and Mrs. Ben Weismann of 422 South Nelson avenue died shortly after birth.

REMOVED FROM HOSPITAL
Mrs. August LaMotte of LeRable, who submitted to an operation at St. Mary hospital, is convalescing in the home of her daughter, Mrs. Dean Doty of Bradley.

PARENTS OF DAUGHTER
Mr. and Mrs. Oscar Beland of 253 South Alma avenue are parents of a daughter born Monday night at St. Mary hospital. Mrs. Beland is the former Cecile Surprenant.

HONORARY FRAT INITIATE
Edward Dray, son of Mr. and Mrs. Arthur Dray of 1105 South Myrtle avenue, student at Purdue university, has been initiated into Tau Beta Pi, national honorary engineering group. It is the outstanding honor of the engineering profession. He has been elected secretary of the Purdue chapter of Eta Kappa Psi, honorary fraternity for electrical engineers.

AWARDED PLACQUE
A plaque in recognition of 25 years' service with the National Fire Insurance company of Hartford was presented to Harry L. Topping yesterday by George H. Bell of Chicago, general manager of the western division. The carved plaque commemorates the local agent's loyalty and fidelity in representing the company since 1914.

ELLIS RITES
The funeral of Verner Ellis, 53, monument works owner who died Wednesday night at his home, will be held at 3 o'clock Saturday afternoon from Hertz Memorial chapel with the Rev. John P. Norman officiating and burial in Mount Grove. Friends may call at Hertz temple until the services.

AUTO ACCIDENT
The auto of Joe Dixon, 300 North Rosewood avenue, driven by Jackson Canfield, 737 East Mulberry street, and the auto of Robert De Weese, 205 West Chestnut street, were in an accident at 9:30 o'clock last night on the gravel road a half mile east of Aroma Park.

PARENTS OF DAUGHTER
Mr. and Mrs. G. T. Michaels of 429 Summerville avenue are parents of an 8-pound daughter, Sandra May, born Wednesday.

IN CHICAGO HOSPITAL
Mrs. Estelle Yane Bergstrom of Monmouth is a patient in the Chicago Osteopathic hospital where she recently submitted to an operation.

ROCKY MORE AS STATE TRACK MEET SPORTS

Highland Park Second Choice Among Preps

By GILES FINDLEY
Champaign, Ill., May 17.—(AP)—Track squads from 17 schools and individual stars from 164 others assembled today for the 46th annual of the intercollegiate track and field meet at the University of Illinois stadium.

More than 500 athletes were here for the meet, the windup of a season of high school track events for most of them. It was the last meet sponsored by the Illinois High School Athletic association because next year a new organization, embracing all prep school activities, will have charge.

Meets Started in 1893
Started in 1893 when the first intercollegiate was run off at the old Champaign fair grounds, the meet has been under control of the high school organization since 1926.

For the past two weeks the finals have been held in the afternoon in an effort to obtain larger crowds, but coaches complained that restless athletes would not stay in the morning and had lost their fine edge by the time the meet started.

Attendance at the afternoon events had not increased much either. H. V. Porter, assistant manager of the association, remarked that the meet was a disappointment with the exception of the two years, 1917-18.

Oak Park Has Won 13
Oak Park leads in the number of championships won, with 13. York of Elmhurst is defending champion, but minus the services of Big Bruce Freeman, who topped 10 points last year with two first-place finishes in the 100 and 200 yards.

Pre-met favorite is Proviso of Maywood, Park of Leander, and Illinois Negro sprinter and broad jumper, as the star, Highland Park was considered a possibility.

Springfield Nine Finally Defeated
By the Associated Press
Cedar Rapids' Red Raiders show only a 500 rating in the Three-Year league race, but they held the distinction today of being the first club to halt the undefeated record of Springfield's Brommies.

Title Undecided As Western Nines Near End Of Season

Chicago, May 17.—(AP)—Five Big Ten teams will end their conference baseball campaigns today and tomorrow, but it may require two weeks more to clear up the scrambled title situation. Northwestern created last week by twice trouncing Iowa's defending champion.

Second place Illinois, which up its title bid against Indiana, a member it has not met on the diamond since 1917. Two other contenders, Northwestern, the current pacesetter, and Michigan—also resume action today.

However, the final title say may go to Iowa, still in the running, despite its double setback. The Hawkeyes, idle in the conference this year, was awarded the Pigot trophy at Madison, Illinois, with a record of seven wins and three losses.

Northwestern, conquered twice by the Illinois at the start of the race and defeated in six games, opens a two-game series today at Madison, Illinois, with a record of seven wins and three losses.

Michigan, winner of five of eight at Chicago, is scheduled to play at Chicago in the only other conference engagement.

In addition to Illinois, Wisconsin, Chicago, Indiana and Purdue will close their Big Ten schedules this week.

Local's Hope

Lloyd Oakley, above, is Kankakee's main hope in the state track meet. He won the district broad jump with a leap of 22 feet, 1 inch, the second best mark in the state and is highly favored to win a few points in the half-mile here in the district last week.

He runs in the qualifying test round today and in the finals Saturday morning.

Another possible reason for the number of good Texas golfers is that he continued. Our course is not there for the most part are pretty flat and the average hole is not very deep. Our golfers are not the best in the state, but they are the best in the district last week.

He runs in the qualifying test round today and in the finals Saturday morning.

Another possible reason for the number of good Texas golfers is that he continued. Our course is not there for the most part are pretty flat and the average hole is not very deep.

He runs in the qualifying test round today and in the finals Saturday morning.

Explains Why Texas Golfers Are So Great

New York, May 17.—(AP)—You don't know exactly why so many great golfers have come out of Texas in recent years. Ralph Guldahl, Ben Hogan, Jimmy Demaret, Byron Nelson, Dick Metz, and the Mangrum brothers, Lind and Rex.

But Demaret, who won six of the winter tournaments, has at least a plausible theory, and he's even got it down here in Texas from his smitten eye.

Dusenbury and Clawson Lead 86-10 Victory

By the Associated Press
Kankakee high school boys, led by Dusenbury and Clawson, won a decisive 86-10 victory over Oak Park in the state track and field meet today.

The meet was originally scheduled for Wednesday afternoon, but a heavy rain forced a postponement until yesterday. The boys, who had been in the top ten in many events, performed in mid-40 tempo.

Dusenbury, with first in the 100 and 200-yard dashes, led Kankakee, while Clawson led in the shot put, discus and javelin in the high jump.

Three Keys at State
Three members of the Kankakee squad, Lane Kohan, Ben Hogan, and Jimmy Demaret, were in the state track and field meet today.

Kohan, who took first in the half-mile here in the district last week, runs in the qualifying test round today and in the finals Saturday morning.

Found! The Man Who Stopped Mighty Ruth

San Francisco, May 17.—(AP)—In the heyday of Babe Ruth's youth, when the mighty man was slugging baseballs out of every lot, he faced a pitcher who told him: "You'll never hit a home off me."

The prediction was true. Sixteen years after his retirement, Hubert B. Dutch, Leonard discloses how he was able to scale the biggest gun of all down to average size.

"Dutch" played six years with Ruth on the Boston Red Sox. He discloses how he was able to scale the biggest gun of all down to average size.

It was Code's last race. An automobile accident on his trip home cost him the use of both legs. But in his wheelchair he haunted the crew house all day.

Before the California race last month, the underdog Washington variety vowed they would win this one for Code.

They did.

Officers Named For Publications At State University

Champaign-Urbana, Ill., May 17—(UP)—The University of Illinois today announced appointment of 39 students to honorary campus organizations including the Daily Illini, the Illio, the Agriculturist, Technograph, and Ma-Wan-Da, senior men's activity organization.

James Armsey, Olney, non-fraternity man, was named managing editor of the Illini, and Lester Moate, Grdley, was appointed business manager. Other Illini officers included:

Mary A. Burgett, Newman, women's editor; Mary C. Corns, Chicago, women's business manager; Fred Pope, Kewanee, editorial editor; William Blatti, Chicago, city editor; Joe Arndt, Alton, sports editor; Wil-

Ham Quinlan, Springfield, associate business manager.

Other appointments as student publication officers included: Lawrence Gougler, Urbana, editor of Illio; John E. Martin, Peoria, Illio business manager; Eleanor Anderson, Urbana, Illio women's editor; Rita C. Young, Chicago, Illio women's business manager.

Alfred Welbourne, Barry, editor of agriculturist; Robert Applegate, Atlanta, agriculturist business manager; and Ma-Wan-Da, senior men's activity organization.

James Armsey, Olney, non-fraternity man, was named managing editor of the Illini, and Lester Moate, Grdley, was appointed business manager. Other Illini officers included:

Mary A. Burgett, Newman, women's editor; Mary C. Corns, Chicago, women's business manager; Fred Pope, Kewanee, editorial editor; William Blatti, Chicago, city editor; Joe Arndt, Alton, sports editor; Wil-

ger, Robert Tideman, Chicago, Technograph editor; and William W. Witori, Maywood, Technograph business manager.

Twenty-two junior men were elected for membership next year in Ma-Wan-Da, including:

James Armsey, Olney; Joseph Arndt, Alton; Richard Carr, Avon; William Case, Canton; Martin Corbell, Centralia; Charles Dadant, Hamilton; John Drish, Cicero; Edmund Dubois, Champaign; Ralph Ehlert, Pekin; Lawrence Gougler, Urbana.

Allan Grant, Chicago; Dean Leeper, Farmington; John Martin, Peoria; Richard Michaelsen, Rockford; Lester Moate, Grdley; Harold Nelson, Rockford; Robert Olson, Waukegan; Richard Reising, Aurora; and Alden Schneider, Oak Park.

Manteno

The Book club met with Mrs. Harold Quigley. A report was given by Mrs. Jules Issert. Refreshments were served. The next meeting will be with Mrs. Issert in June.

Mrs. Cora Senesac, president of the Manteno American Legion auxiliary, announced that the annual poppy day will be May 25, May 25. The mother-daughter banquet of the Methodist church will be held Friday evening.

Cadet Howard Rains of the Roosevelt Military academy of Alton, Ill., son of Mrs. Myrtle Rains, Manteno hospital employee, was recently presented by Karl J. Stouffer, superintendent of the school, with the ribbon bar significant of the fact that he had been a member of high merit on the bugle band of the school. This is his first year at the academy.

Mr. and Mrs. William Stockdale of Manteno are motoring through the southern states and while in New Orleans they attended the Rotary meeting. Mr. Stockdale was the honor guest, being from the greatest distance and he received a gift from the New Orleans club. Mr. Stockdale is a member of the Manteno club.

4 Sheldon Faculty Members Rehired

Sheldon, May 17—(RN Special)—Four members of the faculty of Sheldon high school have been rehired by the board of education—Brooks Courtwright, superintendent and science instructor; Kenneth Stephens, athletic coach and mathematics; W. L. Prillmayer, English and history; Miss Mary Bess Cullton, commercial department.

Teachers are yet to be selected for the agriculture, home economics, girls' physical education, Latin and music classes.

In high altitudes snow frequently turns red and gives off an odor similar to ripe watermelon when crushed underfoot. This is due to a growth of vegetable life, algae spirilla on snow at altitudes of 12,000 feet or more.
